not so long ago religion was a personal matter that was seldom discussed in public no longer today religion is everywhere from books to movies to television to the internet to say nothing about politics now religion is marketed and advertised like any other product or service how did this happen and what does it mean for religion and for our culture just as we shop for goods and services we shop for

church a couple of generations ago americans remained in the faith they were born into today many americans change their denomination or religion sometimes several times churches that know how to appeal to those shopping for god are thriving think megachurches churches that don t know how to do this or don t bother are fading away think mainline protestant churches religion is now celebrated and shown off like a fashion accessory we can wear our religious affiliation like a designer logo but says james twitchell this isn t because americans are undergoing another great awakening rather it s a sign that religion providers that is churches have learned how to market themselves there is more competition among churches than ever in our history filling the pew is an exercise in salesmanship and as with any marketing campaign it requires establishing a brand identity successful pastors pastorpreneurs twitchell calls them know how to speak the language of madison avenue as well as the language of the bible in this witty engaging book twitchell describes his own experiences trying out different churches to discover who knows how to do church well he takes readers into the land of karaoke christianity where old style contemplative sedate religion has been transformed into a public interactive event with giant screen televisions generic iconography when there is any at all and ample parking rarely has america s religious culture been examined so perceptively and so entertainingly shopping for god does for religion what fast food nation has done for food
